Oby & Hilda Obyerodhyambo, Mwaajuma Masaiganah, Magode Ikuya

Barbara Heinzen

# Site Visit to Himo Canal System

Those who use the waters of the canal are obliged to keep it clean. Rules have been in place for decades or longer.

# Tree Barks – Used in Alcohol & Medicine

# Talking & Doing

*In the afternoon, visits to Mt Kilimanjaro Park & an outstanding plant nursery.*

At Kilimanjaro Park (l-r)

*Rose Lyimo, host*

*Barbara Heinzen*

*Oby & Hilda Obyerodhyambo*

*Mwajuma Masaiganah*

*Magode Ikuya*

Mwajuma  
Masaiganah: our  
tutor in tree planting  
at Rose Lyimo's site

*Himo plant nursery. "This is the restoration economy," said Magode.*

Awaichi Minja,  
a neighbour, joins in.

# Taking Trees Home

## *Shamba Darasa*

Mwajuma Masaiganah's new learning site at the Mwasama Primary School is known as the *Shamba Darasa*, the garden classroom.

After she returned, young trees from the Himo nursery were planted by Mwasama pupils with the help of their teachers.
